SENATOR WARNER: Yes.

SENATOR GOODRICH: Two questions actually. Number one, is it okay with you to attach this amendment to your bill number two, is now that you understand what the amendment is which has been passed out to everybody incidentally, what would your response be?

SENATOR WARNER: Senator Goodrich, it's perfectly okay with me, to me it's essentially a corrective thing to provide a procedure so that surplus cars could be disposed of and the State be insured--assured that, that payment
